

Model Test Paper
English
Class III

Section A

Q1. Read the given paragraph and answer the following questions.

Milk is essential for your health. It contains calcium. Calcium is required to make your bones strong. You must drink milk from early age. Otherwise, your bones would become very weak. This may give rise to a bone disease called osteoporosis. The best time to have milk is before going to bed at night. But make sure, that you do not go to bed immediately after drinking milk. It may cause indigestion. You should have it atleast three hours before. Early morning is also a good time to drink milk. Milk can be converted into a tasty and healthy drink by adding some flavours like fruits, nuts and cornflakes to it.

1. What does milk contain?
2. Why do you need calcium?
3. Name a bone disease.
4. What is the best time to drink milk?
5. How can you convert milk into a tasty and healthy drink?
6. Find the opposite of the words given below from the above passage:
a) weak b) after
7. Find out any two nouns from the given passage.
8. Give a suitable title to the passage.
